**ANNUAL**  
**REPORT**

## From the desk of the Secretary :

We are delighted to hereby present to you the Annual Report for the year 2019-2020. In this report, we have tried to briefly summarize the organization's actions and achievements in the past year, for which we have received various grants and tireless support from our esteemed patrons. As always, we at AGRAGAMI have used the aids to elevate the rural population to the best of our abilities. With your blessings, we could ensure major improvements in all our areas of engagement that has strengthened our faith in the vision of making a difference in the lives of the otherwise marginal population. This motivates us, now more than ever, to continue working in the sectors of nutrition, education, health, basic amenities and the overall social development of the ones in need. Most of our activities this year were centered around Training and Capacity Building, Sanitation, Empowerment of the Adolescents, Drinking Water Security, RNTCP, Prevention and Awareness of HIV/AIDS through the Link Workers' Scheme, Menstrual and Women Hygiene, Mobile Medical Camp and so on.

We deeply acknowledge the efforts and dedication of our staff without whom none of the above would see the light of the day. The unwaveringly committed team of AGRAGAMI has made achieving our vision and mission a joyful ride. With the team's dedication, we have successfully delivered the best solutions to all our clients and charities. My sincerest gratitude and heartiest congratulations to our staff, donors, partners, trustees and patrons. We pledge to continue working for the greater good with utmost devotion and sincerity.

I can confidently promise on behalf of the entire organization that AGRAGAMI will continue to provide the best services to the poor and disadvantaged section of our society in the coming years. The annual evaluations show that the communities have positively acknowledged the needs of the development services provided to them. This validates our remarkable progress in the beneficiary's involvement as well. At last but not the least, on behalf of the executive board members, I would like to extend my heartfelt gratitude to all our benefactors, contributors, beneficiaries, friends and allies for their continued well wishes and support.

Date : 18.12.2020  
Jargo, Purulia

Sujata Mandal,  
Secretary

## **Introduction**

After spending 27 years in the field of social development, Agragami is more committed to continue its service to the society. The journey from the beginning has experienced ups and downs. But still, Agragami as always accident to stand again. And that has tortoise to set our vision and mission.

## **Vision of Agragami**

Enhancement of the quality of life of the underprivileged.

## **Mission of Agragami**

To foster local initiatives of the impoverished section of the population for self reliance through to better utilisation of their potential and natural resources.

## **Thrust Areas of Agragami**

Development of Livelihood resource base through to Natural Resource Management and Human Resources Development emphasizing optimum use of local resources, strengthening the capacity of the community and utilizing different government and non-government development projects. Addressing the issues related to water and sanitation, health nutrition, education, income generation, child marriage, human trafficking and violence against women through awareness, campaign and legal support. Transparent and accountable governance through community mobilization, rights to education, knowledge and skill building, preventive and promotive health services through people's education, streamlining of service delivery and creation of community cadres.

## **Core Value of Agragami**

Aragami always carries three core values to achieve its mission and objectives:

**Team work** - Agragami believes in teamwork and has been giving importance to act as a team in decision making, implementation and excitation of works.

**Transparency** - Agragami has been maintaining transparency in all its works and records for public and community.

**Community Participation** - Agragami has been ensuing participation of communities in planning execution and implementation of its programs.

**Gender Justice** - Agragami respect and gives equal opportunity to women and create environment for gender justice.

**Respect to Community Value** - Agragami always gives respect the community values of natural living thoughts, culture and tradition for social harmony and traditional knowledge related to nature.

**Protection of Constitutional Values and Rights** - origami gives importance to protect the values related to secularism, communal harmony, sovereignty and democracy and creates awareness to perform citizens' duty to protect the constitutional values.

## **Working Area of Agragami**

### **Field of Operation**

1. All 12 blocks of Purulia (Jhalda-1, Jhalda-2, Jaypur, Bagmundi, Purulia-1, Purulia-2, Neturia, Para, Santuri, Raghunathpur-1, Raghunathpur-2, Pancha) and Jhalda Municipality of Purulia
2. Saltora, Khatra, Sonamukhi and Bishnupur Block and Bishnupur and Sonamukhi Municipality of Bankura.
3. All the 16 blocks and municipalities of Paschim Medinipur District of West Bengal

### **Priority Sector**

- Health and Nutrition
- Water and Sanitation
- Education and Income Generation

### **Focus Group**

Children and Women

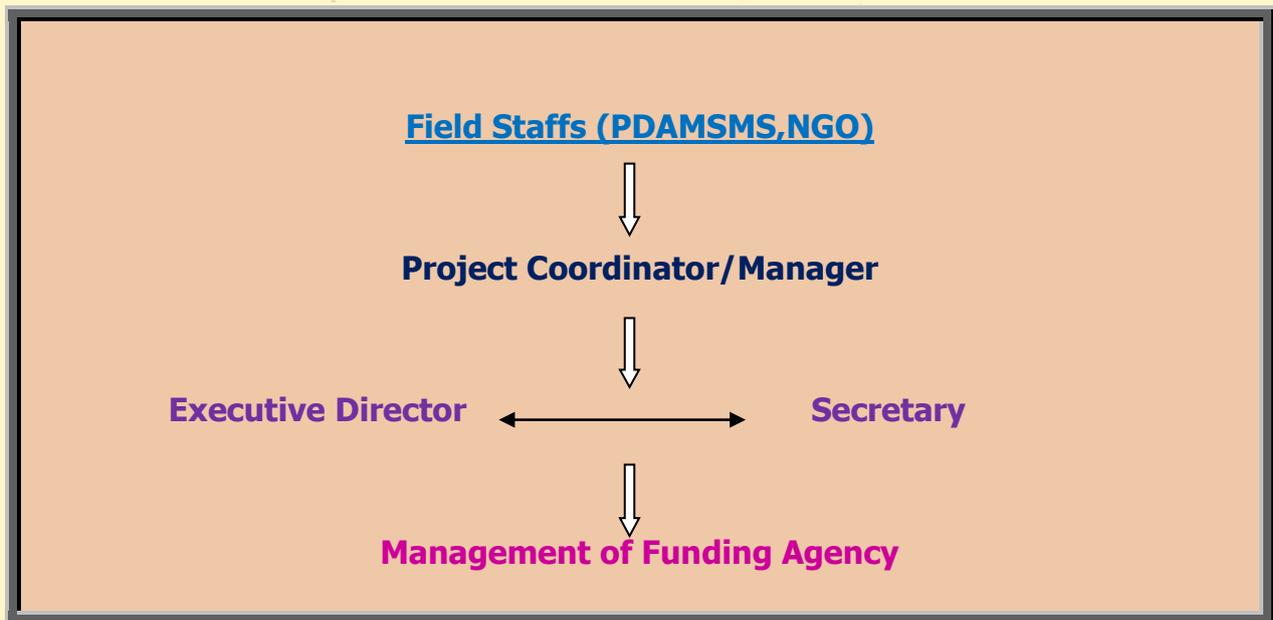

### **Aragami as a Team**

Aragami is a team of strong and v plant development activists, experienced and dedicated workers, professionals and intellectuals. The ratio of women workers are nearly 50%, where did as above 90% workers are from the district and working area. Aragami always emphasizes to develop the skills and capacity of the worker through training workshop and exposures.

Aragami's field operations are organised under different projects in their respective areas of implementation. It has four broad wings i.e. programme, administration, accounts and planning, monitoring and evaluation.

The Secretary is supported by Executive Director, program coordinators and finance officer. Program coordinators are supported by field supervisors and field level workers. Governing body of the organisation are activists with representation from different social groups supported by advisory team members with development professionals.

## Reporting Structure and Flow of Information

### **Holistic Development Approach (HDA)**

Aragami has set forth and established Holistic Development Approach (HDA) as means of achieving its development goals and activities. It is the principal strategy of Aragami. Holistic Development Approach is a participatory development approach involving and activating both the stakeholders and the beneficiaries' development partners. Aragami configures holistic development approach as the most appropriate strategy for sustainable development of the beneficiaries. Aragami's program interventions are developed or designed in the line with millennium development goals (MDGs) 10th with current transition to sustainable development goals (SDGs) for addressing the priority issues like health, water and sanitation, women and child development etc. of the beneficiaries.

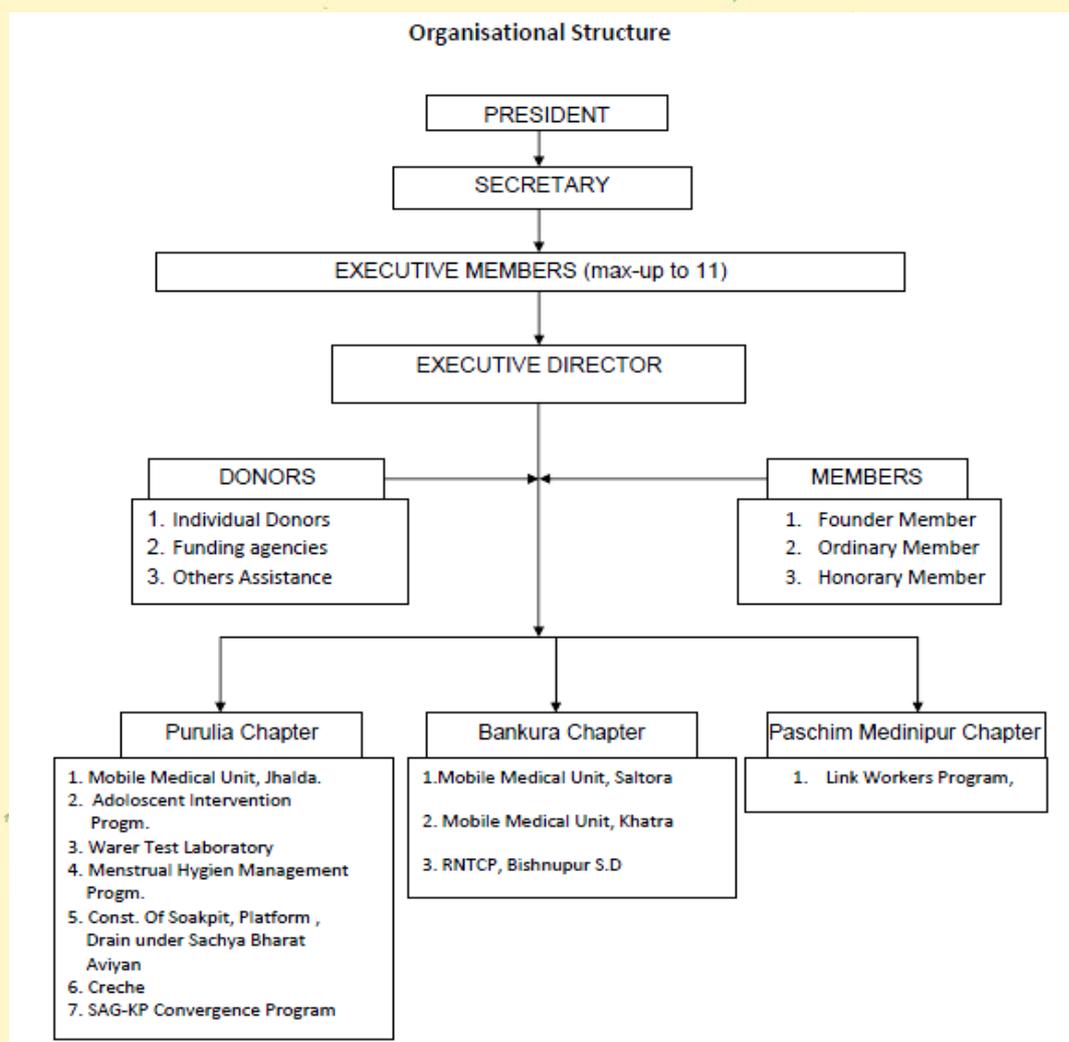

### **Working Methodology**

Grassroots Mobilization, Community Participation, Community-Led Targeting Process, Local Government Involvement for Transparent Implementation and Participatory Assessment.

### **Strength**

- Skilled Staff
- Participatory decision making process
- Collective work and coordination
- Local government participation
- Working experience in health sector

## Organizational Structure:

## Governance

Aragami gives high priority on good governance, accountability and transparency operating according to the approved constitution of the organisation. It has two-tier structure namely (1) general body and (2) governing body. General body comprises a group of social minded women. The general body consisting of 21 members holds at least one general meeting annually in a transparent and democratic process. The general body approves all the activities of the governing body. the general body members elected 9 members governing body after every alternative three years.

The governing body is the supreme authority to frame policies, guidelines and decision to run the organization. The governing body members are continually contributing to organizational growth and development by providing their valuable advice and suggestions in the formulation of policies and guidelines. The general body holds at least four meetings in a year.

## Governing Body of Purulia Agragami

The names, address, occupation and designation of the members of the governing body to which, according to the memorandum and by the rules of the society, the management of its affairs is interested as required under section 2 of the Societies Registration Act, 1860 are as follows:

SI No	Name	Address	Designation	Occupation
1.	Smt. Lilabati Mahata	Vill – Kotshila, P.O- Kochahatu, Dist- Purulia	President	Service
2.	Smt. Mukta Mahato	Vill- Dungritanr, P.O.- Kura, Dist- Bokaro, Jharkhand.	Vice- President	Social Worker
3.	Smt. Sujata Mandal	Vill & P.O-Jargo, Dist-Purulia	Secretary	Retd. Teacher
4.	Smt. Bharati Mahato	Vill –Nalkupi, P.O- Bamnia, Dist-Purulia	Asst. Secretary	Service

7.	Smt. Pranati Modak	Vill & P.O-Jargo, Dist-Purulia	Member	Social Worker

## Managing Committee :

The Managing Committee, comprising of Mrs. Sujata Mandal Secretary, Ms. Lilabati Mahata, President, and Ms. Bijita Sandil, Treasurer, has been entrusted with the task of carrying out the daily operation of Purulia Agragami and has the power to exercise any power and function of the Governing Body except those related to approval of appointment of any new member of the Governing Body or those relating to framing/changing/amending of the bylaws, rules or regulations.

## The Year in Retrospect

Holistic development approach has always been the key for implementing projects and programs for Agragami. The year 2019-20 was different from every other years. But still Agragami found a way two step forward fulfilling the mission of the organisation. Most of the programs and projects have been implemented with the financial assistance of the the development partners and or government agencies and private sector while some are exclusively from its own resources. Here are the glimpses of the major programs of Agragami:

### **Mobile Medical Unit (MMU)**

The Mobile Medical Unit (MMU) is a key strategy by National Health Mission (NHM) to facilitate access to public health care particularly to people living in remote, difficult, underserved and unreached areas. The objective of the strategy is to take healthcare to the doorsteps of population particularly rural, vulnerable and underserved areas.

Aragami has been entrusted to implement the mobile medical unit project in three blocks namely Saltora and Khatra of Bankura and Jhalda of Purulia. The services are governed by 3 vehicles (4 wheelers) to offer medical checkup, consultation, provision of free medicine, diagnostic and conducting medical counseling etc. The MMUs are assigned with the task of delivering primary health care in remote areas which included curative reproductive diagnostic and radiology services for one day in a week. All the MMUs currently operating are having a qualified medical officer, nurse, lab technician, pharmacist and x-ray technician.

### **Activities performed on different thematic areas during 2019-20**

Location of MMU Unit	Number of camps arranged	Number of Villages covered	Number of AWCs covered	Performance during the period								
				No. of OPD	No. of ANC	No. of FP cases		No. of minor surgical operations	No. of Lab tests	No. of blood smears collected /RDT tests done for Malaria	No. of X-Ray done	No. of patients referred to higher facilities

<b>Total</b>	<b>890</b>	<b>16</b>	<b>140</b>	<b>93946</b>	<b>789</b>	<b>4623</b>	<b>7554</b>	<b>5991</b>	<b>13793</b>	<b>4478</b>	<b>2337</b>	<b>1089</b>

## **Rogi Sahayata Kendra**

In our present health system, sharing and disseminating information about proper health services has always been an issue. So, to help the patient parties about all the government health facilities including Primary Health Centre, Block Primary Health Centre, District Hospital, Rural Hospital etc., Agragami has instituted and successfully run 10 numbers of RogiSahayataKendras

(RSKs) in BHCs under Jhalda and Raghunathpur Subdivision and at Raghunathpur Sub-Divisional Hospital, Purulia under NRHM and Government of West Bengal. Agragami provides easy access to required information about the available health services facilities to all clients and stakeholders and assures patients and relatives that they can get necessary information on a real time basis to help them to get the services instantly. It reduces the gap between the patients and doctors and thus decreases the misunderstandings between two parties as well. It leverages a better environment for assuring health services and looks carefully towards the patients' satisfaction.

### **Main Activities:**

- Easier access for patients of health services without harassment
- Raise patient satisfaction
- Reduce conflicts between health service providers and patient parties
- Providing accurate information in an easier way about the health services and facilities
- Provide patient related information to patient parties on a regular basis and guide them about available services
- Helping the service providers also by guiding the patient parties and visitors

### **Revised National Tuberculosis Control Programme (RNTCP)**

Tuberculosis (TB) is not only a major medical issue but also a social stigma in India. Every year 1.96 million new cases are found who are suffering from this disease. 3,30,000 people die every year due to TB, i.e. over 1000 people die every day because of these deadly disease. Under Revised Tuberculosis Control Program (RNTCP), Agragami has addressed the control of spreading tuberculosis within a community. To assure that, Agragami has taken several measures to implement sustainable tuberculosis control plan which are as follows:

- ACSM at community level
- ACSM for youth
- Improving TB control in urban slum areas
- Sputum collection and transportation  
and
- Contact tracing

Under RNTCP, Agragami has covered a population of 9,31,363 in 19 municipal wards and 48 gram panchayats of Jaypur, Sonamukhi, Indus, Patrasayer, Kotulpur block and in in Radhanagar GP along with Bishnupur Municipality of Bishnupur Health District.

### **Link Workers Scheme (LWS)**

The Link Worker Scheme proposed under National AIDS Control Programme III has been designed specifically to address populations with high-risk behaviours (including High Risk Groups and Bridge Populations) with the promise that there are significant numbers in rural areas and we needs to be reach out to them in order to saturate the coverage of these groups. In partnership with West Bengal State AIDS Prevention and Control Society (WBSAP&CS), Health and Family Welfare Department of Government of West Bengal and NACO, Agragami has been implementing the Link Workers Scheme (LWS) project for high risk group population and their sources since 2016. A total of 3,50,189 people have been covered under this project at hundred villages in 15 blocks of PaschimMedinipur district.

The core objective of the program is aimed to halt and reverse the epidemic by integrating and collaborating programs for prevention, care, support and to address the issues like condom promotion through distribution and motivation, social marketing, developing Inter-Personal Behaviour Changes Communication, community mobilization and IEC activities, health camp organisation for referral and linkage service, linkage to Integrated Counselling and Testing Centres (ICTC), creation of enabling environment through advocacy etc.

Under this project Agragami has taken different activities in this year which are as follows:

#### ***Condom Promotion***

3As are most important aspects for condom promotion. These are: accessibility availability and affordability. Using this 3A method, the intervention has planned for promotion of correct and consistent use of condom among the target population groups. For increasing access to the condom, free condoms has supplied by the project. Besides the CLWs and LVs are also supplying free condoms as per their estimated demand regularly during counselling sessions.

SL NO	HRG	CONDOM SOCIAL MARKETING	FREE CONDOM DISTRIBUTION
1	FSW	595	1323
2	TRUCKER	585	915
3	MIGRANT	3000	5482
4	PLHIV	1300	4878
5	TB CASES	150	130
6	OTHER VP	2005	3406
Total		7635	16134

## ***Advocacy Meeting***

A total of 94 advocacy meetings have been conducted to raise awareness among government and institutional stakeholders. Among the participants there were Pradhan, Upa-pradhan, GP Member, Political Leader, BPHN, PHN, ANM, BDO, Club Secretary & Member, BMOH, Medical Officer, Swasthya Karmadhakya, Group Leader of SHG, Head Master, ICDS Supervisor, CDPO and Executive Officer of GP.

In a total 2022 personnel attended the advocacy meetings. This was an attempt to build a community ownership of the LWS objectives. So community mobilization was an important aspect of these activities.

## ***Local Village Level Meetings***

Local village level meetings were also organised to raise awareness among villagers who are considered as the local stakeholders. Marginal people and people associated with different field of works and vulnerable to unsafe sex were majorly covered through this activity. Total of 5499 people attended the meetings among which there were migrants, spouses of migrants, truckers, truckers' spouses, FSWs, SHG members, TB patients, Youth Groups, ANC mothers, general people, club members etc. Along with these, a number of stigma reduction meetings, co-ordination and facilitation of PLHA meetings, staff review meetings were held also.

## ***Health Camps***

In this financial year, a total of 16 health camps have been organised in the outreach areas as per the need of the community in the inaccessible areas with the support from the officials of the health department along with local public representatives like MLAs, PRI representatives and other dignitaries. They were also present in these camps to encourage the local people including the targeted population of the community to participate in these health camps. General medical checkups including ICTC tests were done also in those camps with prior importance.

## ***Observation of World AIDS Day***

With all respect and grandeur, World AIDS Day was observed in the district headquarter of Medinipore town. A huge rally was organised followed by an intense workshop. Leaflets, posters and key rings containing messages on HIV/AIDS developed by Agragami were distributed among participants and general people also to generate the awareness on this issue among them.

## Adolescent Intervention Program (AIP)

Adolescent Intervention Program (AIP) is actually empowering the adolescents by ensuring their rights and fundamentals. The program has been designed by UNICEF with support from Purulia District Administration. AIP program has been introduced in the Purulia district to improve the adolescent's life and future, who are in the age group of 10 to 19 years. The strategy has been set here to achieve better outcomes in the aspect of adolescent's development, health and nutrition, education, protection and empowerment through information and skill development. Agradami is implementing the project at Purulia-II block and Jhalda Municipality since 2015.

## SAG-KP Convergence Program

Aragami has always considered the development of the girls of the society since its birth. For that, Aragami is implementing the Rajiv Gandhi Scheme for Empowerment of Adolescent Girls, SAG-KP convergence program at Jhalda-I block, Jhalda Municipality and Neturia block areas of Purulia district in close collaboration with the

District ICDS Programme of the Department of Child Development and Social Welfare. With that, Aragami is also working to implement the Sabala-Kanyashree convergence through capacity building at various stages of implementation of the scheme

### Activities performed under this scheme are as follows

### National Rural Drinking Water Quality Monitoring And Surveillance Programme

To provide pure drinking water, it is extremely important to maintain and monitor the quality and regular surveillance. For that, Aragami is implementing National Rural Drinking Water Quality Monitoring and Surveillance Programme at 131 villages covering a population of 1,37,143 in Jhalda-I block since 2007. Here the laboratory is run with financial and technical support from Public Health Engineering Department of Government of West Bengal. Initially the setup was in action with assistance from the UNICEF under the Fluoride Mitigation Program.

## Water Sample tested and results found during the period 2019-20

### Construction of Soak Pit Train and Platform Under Swachh Bharat Mission

Still in the present days, drinking water is a burning issue in most of the rural areas of Purulia. Hand pump fitted tube Wells are still the major drinking water sources there. But, as there have no proper drainage system for disposal of wastewater, that results contamination of groundwater sources. To improve the situation and ensure pure drinking water for the villagers, Agragami implemented 'Construction of soak pit, surface drain and platform in 110 numbers of tube wells for liquid waste management from spot source including training and IEC' in several gram panchayats under Neturia block of Purulia district. The program is a CSR initiative of PHE department with Coal India Limited and SIPL.

### Creche Services

Children are the future citizens of the country. So, the proper maintenance and wellbeing is extremely required to secure our country's future. To ensure that, Agragami has been running two numbers of Chreche Centres at Kulajanga and Jargo village under Jhalda-I block of Purulia district since 1997. It looks after 50 children aged between 2-5 years of working and ailing mothers. Here children are provided

Balwadi education training, regular health check up with medical care and immunization along with supplementary nutrition and support from the Social Welfare Department of Government of West Bengal.

## **Other Welfare Activities**

### **Plastic Free Jhalda and Water Conservation Program on World Environment Day**

AGRAGAMI has performed an Awareness Rally about Water Conservation and Plastic Free Jhalda with a focus on SAVE WATER, SAVE LIFE campaign.

The program was implemented by eminent representatives from District Administration, Head of the Institutions of different Schools and supported by different Kanyashree Clubs. The program took place in Jhalda town of Purulia with more than 100 adolescent girls and others from the community.

Hon'ble SDO of Jhalda flagged off the Rally with his most valuable and relevant deliberations and appealed everyone to come forward to save water. He pointed the importance of it as it is the question to save our future as well as to save our planet. Among the other speakers, Head Mistress of Jhalda Girls High School also appealed to Save Water as every drop of water is extremely precious.

After the Rally some demands were placed on behalf of AGRAGAMI before the Hon'ble Chairman, Jhalda Municipality related to Water Conservation like fitting fixing of stopcocks in each and every water stand posts; arrangement of ground water recharging with rainwater, to make Jhalda plastic-free zone etc. The response from the chairman was very positive with assurance to take

immediate measures in this regard. The eminent guests also raised their voices supporting AGRAGAMI's demand to make Jhalda a plastic-free zone. It is now known to everybody that how plastics can cause harm to the nature and environment. But still there is lack of motivation and awareness. The speakers also highlighted the issue and assured to take necessary steps. Following that the usage of plastics were controlled thereafter. The participation from especially the Kanyashree Club Members with their supreme energy and vision made the program a grand success.

### **Distribution of Clothes for Needy and Deprived**

Food, Clothing and Shelter are three most important units of requirement in someone's life. There are disaster victims, underprivileged people, and children in need of clothing. Agragami raised social demand of empathy in front of others that their useless things can come in great use of some other people. A huge collection of clothing

was gathered through this campaign which was eventually distributed among the needy and deprived people of several areas. People participated wholeheartedly in these and in a number of cases they provided new clothes as well.

## **Celebrating of Different Special Days**

### ***1. Universal Health Coverage Day***

Universal Health Coverage Day is celebrated annually on December 12 and is promoted by the World Health Organization with the resolution of providing the

citizens affordable, quality health care. Supporting the cause of right to health, AGRAGAMI organised huge rally in Jhalda-1 block. Huge number of participants attended the rally among which there were Kanyashree Members, Sabala Members, members from Health Department and representatives from Police Department. Another rally was organised at Tulin of Jhalda. A workshop was organised focusing this at Purulia-II block. Among the speakers there were the BDO of the block, the Sabhapati of the PanchayatSamiti, the CDPO, the BMOH, the Health Supervisor and others.

### ***2. Children's Day***

Children's Day is celebrated across India to increase awareness of the rights, care and education of children. With all the Kanyashree members, Children's Day was celebrated at the Chandai Anganwadicentre. A vast discussion took place on the rights and security of the children. The program initiated with sending gratitude to the first prime minister of India Sri Jawaharlal Nehru. Another program was also organised at Jhalda Hindi High Uchha Vidyalaya with the support from their Kanyashree Club. This program was an initiative of the Adolescent Intervention Program. A number of cultural activities were performed in this program pointing the rights and laws associated with that for children.

### **3. Rakhi Bandhan Utsav and Independence Day Celebration**

Being the proud citizens of India, Agragami as the organisation has always celebrated the Independence Day of India offering respect and gratitude to the noble hearts who have fought for the nation. Several numbers of students, general people and members of Agragami participated in this celebration. They took part in the discussion forum and also took oath to lead the society towards a better one. Also in this occasion the festival of unity and brotherhood, 'Rakhi Bandhan' was also celebrated. Kanyashree members along with members of Agragami tied Rakhi in the hands of people and passengers to convey the message of the holy day.

#### 4. Observance of Menstrual Health Management Day

To break taboos surrounding menstruation, raise awareness of the importance of good menstrual hygiene management worldwide.

Menstrual Hygiene Day is an annual awareness day on May 28 to highlight the importance of good menstrual hygiene management (MHM). Like previous years, this year also

Aragami came forward to celebrate the Menstrual Hygiene Day which was held at Jhalda Community Hall and Purulia-2 block.

In presence of the BMOH, PHN, ICDS supervisor, Counselor under Adolescent Intervention Program several discussion forums and cultural activities took place. To engage youths, programs like quiz, drama, speech and drawing competition were also organised.

#### 5. Journey Towards Cleanliness

Cleanliness is most important for physical well-being and a healthy environment. It has bearing on public and personal hygiene. It is essential for everyone to learn about cleanliness, hygiene, sanitation and the various diseases that are caused due to poor hygienic conditions. To celebrate the Gandhi Jayanti, this year Aragami took the slogan "if we make our

surroundings clean, the scope of diseases will be very thin". To make the environment plastic free, Aragami conducted a very proactive cleanliness drive. Along with the members of Aragami, local villages also participated in this program. The drive was conducted at Jargo village. Necessary steps were taken to make the surroundings germfree and therefore an awareness session was also organised

#### 6. Celebrating the International Women's Day

International Women's Day is celebrated on the 8th of March every year around the world. It is a focal point in the movement for women's rights. To spread the message of equality, International Women's Day was celebrated at Jargo Village of Jhalda-1 block. A total of 143 women participants were gathered at the Jargo Church Community Hall. Several

government officials and public representatives were also present in this noble occasion. Among the eminent persons, there was the Pradhan of Jargo Gram Panchayat with others.

## 7. National Safe Motherhood Day

National Safe Motherhood Day is an initiative to enforce that women must have the availability and adequate access to care during pregnancy childbirth and postnatal services. Like previous years, this year also Safe Motherhood Day was observed by Agradami with sheer Importance at Jhalda Ward No-1 Community Hall, Tempo Goli. The motto of the program was to spread awareness about safe motherhood and diminish taboos

related with the birth of children. Keeping the motto of giving the woman quality, equality, dignity and improved maternity health a large number of adolescent girls, SHG members, Health and ICDS workers and Kanyashree members participated in this program from different areas. Hon'ble SDO Sri Sushant Kumar Bhakta was also present in the program as the chief guest. BMOH, CDPO, State Coordinator of WRA Project, and representatives of all government departments were present to facilitate in the program. Another program was also organised at Block Meeting Hall of Purulia-2 block in presence of BDO, BMOH, BPHN, ICDS Supervisor and PRI members. Along with all these mentioned activities World Breast Day and National Girl Child Day were also celebrated with high importance though these two issues are focused by Agradami on a regular basis.

we highly indebted to our donors who continue to support NGO AGRAGAMI year after year. A large proportion of the donations are from Institutional funding .individual donations has also started flowing in.

We need the support of emphatic, public spirited individuals/institutions to sustain our current activities and to expand the scope of our dreams. You can provide your time and other professional's skills to strengthen our work and further enrich it. Personal/institutional donations to nurture our projects would be greatly valued.

All donations made in India are eligible to income Tax benefits under the provisions of section 80[G] of the Income Tax Act, 1961.

We also welcome overseas contributions and are duly registered under Foreign Contribution Regulatory Act (FCRA).
