From Secretary's Desk :

It is a great pleasure to present to you the Annual Report for year 2018-19 which briefly describes the best practices applied and success achieved by organization's practices which have received Grants and other support from the different patrons. AGRAGAMI managed to use the support provided in an effective and efficient manner in the process of improving the well-being of the Rural Population. There was significant development in this year in all areas of AGRAGAMI's engagement. It is heartening to see that our efforts have been significantly contributing in improving the livelihoods of people. This reinforces our belief that nothing can be more important than working on the Health, Nutrition, water, education and social development to address the issues of our livelihoods. This year's major activities were interventions related to Capacity Building & Training, , Drinking Water Security & Sanitation, Adolescents Empowerment, RNTCP, HIV/AIDS prevention through Link Workers Scheme, Mobile Medical Camp and Menstrual Hygiene. None of the achievements of the year would have been possible without the efforts of Agragami's dedicated staff. The team has been committed to the aspirations and mission of Agragami and has been relentless in delivering solutions for clients and charities. My appreciation and thanks to our Trustees, staff, donors and partners. We are committed to pursuing Agragami's mission with sincerity. I have every confidence that Agragami will continue to provide solutions to poor community in the years to come and will provide valuable resources to the disadvantaged section of society. Agragami has achieved considerable progress this year in beneficiary's participation and involvement in development processes in communities. During different evaluations, it was also proved that, Community people are responsive in considering the communities development needs in the areas they serve. Agragami, therefore, work for and on behalf of the target beneficiaries. Finally on the behalf of the executive board members, I would like to thank all our donors, supporters and the villagers for their continued support.

A Brief Narration on Different Projects Implemented by Agradami in 2018-19

As an voluntary social welfare organisation, Agradami has been implementing numerous programs following a holistic development approach for sustainable development of the disadvantaged and underprivileged people of west Bengal. Most of the programs and projects are implemented with the financial assistance of the development partners and/or government agencies and private sector, while some are exclusively from its own resources. The major program of Agradami include as follows:-

Mobile Medical Unit

The Mobile Medical Unit (MMU) is a key strategy by National Health Mission (NHM)_to facilitate access to public health care particularly to people living in remote, difficult, underserved and unreached areas. The objective of the strategy is to take healthcare to the doorsteps of population particularly rural, vulnerable and underserved areas. Agradami has been implementing the program in Saltora & Khatra of Bankua district , in Jhalda of Purulia district of West Bengal. The services are covered by 3 Vehicles (4 wheelers) to offer Medical Check-up, consultation, provision of free medicine, diagnostic and conducting medical counselling etc. The MMUs are assigned with the task of delivering primary healthcare in remote villages which included Curative, Reproductive, Diagnostic and Radiology services for one day in a week. All the MMUs currently operating is having a qualified Medical officer, Nurse, Lab-technician, Pharmacist, and X-ray technician.

Description of Service Provided

Rogi Sahayata Kendra :

Instituting a system of disseminating necessary information to the patients and patient parties has been major concern for all Govt. health care service units veg. Primary Health Centre, Block Primary Health Centre, District Hospital, Rural Hospital etc. Purulia Agradami has been running successfully in 10 Nos. of Rogi Sahayata Kendra (RSK) in BHCs & RH under Jhalda & Raghunathpur Subdivision and at Raghunathpur Sub-Divisional Hospital Purulia under NRHM & Govt. of west Bengal by providing easy

access to information about the services available in the health facility to all clients and stakeholders, to disseminate all patients related information to patients and relatives on a real time basis so that they may access the available services fully and without delay, Decreasing the communication gap has created lesser strain in Doctors- patients relationship and move towards better work environment with the system constraints and ever increasing demand resulting to grater rise in patients satisfaction.

The main activities are as follows;

- Easier access of patients to hospital services and reduced harassment
- Increased patient satisfaction
- Reduced incidence of conflicts with patient parties
- Provide accurate information about the services available in the health facility to all clients and stakeholders.
- Disseminate all patient related information to patients and relatives on a real-time basis so that they may access the available services fully and without delay.
- Assist the service providers of the health facility by appropriately guiding the patients / visitors

Revised National Tuberculosis Control Program (RNTCP) :

Tuberculosis(TB) is a major medical and social problem in India and 1.96 million new cases are found annually. Every year 3,30,000 people die due to TB which means that over 1000 people die because of TB every day. Under Revised Tuberculosis Control Program (RNTCP), Agragami has been addressing the control of spreading Tuberculosis(TB) within the community. And with that line Agragami has been implementing i)ACSM at community level,ii) ACSM for youth iii) Improving TB control in Urban Slum iv)Sputum collection & transportation and v) Contact tracing under RNTCP covering a population of 931363 nos. within 19 Municipal Wards and 48 Gram Panchayats of Jaypur, Sonamukhi, Indus, Patrasayer, Kotulpur block and in Radhanagar G.P and Bishnupur Municipality of Bishnupur Health district .

Menstrual Hygiene Management Day

"It's Time for Action" .

Menstrual Hygiene Day is observed every year on May 28th with an aim to spread awareness about menstrual hygiene and curb taboos associated with menstruation. The day intends to enable women and girls around the world to

achieve their full potential without menstruation becoming a hindrance. Using a hygienic method of menstrual protection is important for women's health and personal hygiene. According to NFHS-4, women age 15-24 were asked what method or methods they use for menstrual protection, if anything. In India, 42 percent use sanitary napkins, 62 percent use cloth, and 16 percent use locally prepared napkins. Overall, 58 percent of women in this age group use a hygienic method of menstrual protection. There is a dire need in our country for making conditions better for women.

So on 28th May, 2018 Agragami conducted awareness program at Jhalda and Purulia-II of Purulia district of West Bengal.

স্কুলে নিয়ে গেল কন্যাশ্রী দিদিরা

প্রশান্ত পাল

পুরুলিয়া: আপনজন বলতে শুধু দিদিমা আর মাসি। দু'জনেই পরিচারিকার কাজ করেন। সাতসকালে বেরোতে হয়। ছেলেটার আবার স্কুলের পাট নেই। দুপুর কেটে যেত ছন্নছাড়া। এক দিন অসুখ হল তার। সারে আর না। এমন সময়ে হঠাৎ হাজির দিদিরা! আর তার পরেই বালদার দশ বছরের ডাক্তারেন মাছুরার সতি জীবনটা হয়ে গেল গল্পের মতো। ডাক্তারবদি দেখিয়ে, সেরে উঠে, চল আঁচড়ে এখন রোজ স্কুলে যায় সে।

দিদিরা, মানে বিউটি-দীপশিখা-রাধা-আরতি, সবাই কন্যাশ্রী। বালদা গার্লস হাইস্কুলে পড়ে। সেখানে রয়েছে তাদের ক্লাব—'উড়ান'। ইউনিসেফের পক্ষে ক্লাবটির দায়িত্বে থাকার মুকেশ দাস বলেন, "কয়েক বছর আগেও চিকিৎসকের টাকা বাচিয়ে উড়ানের মেয়েরা একটা ছেলেকে স্কুলে ভর্তি করিয়েছিল। ওরা সবাই পাশ করে চলে গিয়েছে। এ বার এরা এল। এখন স্বপ্ন দেখি, এই সমস্ত মেয়েরাই বড় হয়ে চারপাশটা সুন্দর করে তুলবে।"

ব্যাপারখানা কী?

সরমা-রিয়া-সুরভি-অঞ্জলিরা জানাচ্ছে, কথাগুলোই একদিন ছেলেটির কথা জানতে পারে তারা। বাড়িতে গিয়ে দেখে, হাত-পা ফুলে গিয়েছে। ডাক্তারেনের মাসি মেগকা মাছুরার বলেন, "ছেলেটা দিন দিন কিম মেরে যাচ্ছিল।" ডাক্তার দেখানোর বন্দোবস্ত হয়। জানা যায়,

বালদা হাইস্কুলে ভর্তি হচ্ছে ডাক্তারেন। নিজস্ব চিত্র

তার মুদ্রজনিত সংক্রমণ হয়েছে। ওষুধ কিনতে টাকা চাই। শুরু হয় বন্ধুদের থেকে চাঁদা তোলা। 'উড়ান'-পাশে এসে দাঁড়ায় বালদা হিন্দি হাইস্কুলের ছাত্রীদের ক্লাব 'হসলা'। হাজার ছয়েক টাকা জোগাড় হয়ে যায়। পুরুলিয়া সদর হাসপাতালে শিশুসাধী ক্লিনিকেও চিকিৎসা করানো হয় ডাক্তারেনের।

সুস্থ হয়ে ওঠার পরে জানা যায়, চতুর্থ শ্রেণি পর্যন্ত পড়েছিল ছেলেটি। বালদা হাইস্কুলের প্রধান শিক্ষক স্বপন গুলিমাজি বলেন, "কয়েক দিন আগে বালদা গার্লসের মেয়েরা এসেছিল। ওদের কাণ্ডকারখানা শুনে আমরা তো অবাক।" সোমবার স্কুলে ভর্তি হয়েছে ডাক্তারেন। সেখান থেকেই বই পাবে সে। দিদিরা দিয়েছে, খাতা, পেন, ব্যাগ। জিজ্ঞেস করেছে, "স্কুল কামাই করবি না তো?"

ডাক্তারেন বলেছে, "না। কিন্তু শরীর খারাপ হলে?"

কন্যাশ্রীদের মিছিল

বালদা: ডেঙ্গি সম্পর্কে

মানুষজনকে সচেতন করতে বালদায় মিছিল করলেন উড়ান কন্যাশ্রী ক্লাবের সদস্যেরা।

মঙ্গলবার বালদা গার্লস

হাইস্কুল থেকে বেরিয়ে ক্লাবের

সদস্যেরা শহর পরিক্রমা করে

পুরসভার সামনে একটি পথসভা

করে। ক্লাবের পক্ষে দীপশিখা

বন্দ্যোপাধ্যায়, প্রিয়াঙ্কা পোদ্দার

জানায়, সচেতনতা তৈরি করেই

ডেঙ্গির বিরুদ্ধে লড়াই হবে।

জমা জল থাকলেই মশার লার্ভা

জন্মাতে পারে। আর মশাই এই

মারণ রোগের বাহক। তাই বাড়ির

কোথাও যাতে জল না জমে

থাকে, তা দেখতে বাসিন্দাদের

জানানো হয়েছে। তাদের সঙ্গে

ছিলেন বালদা থানার আইসি

ত্রিগুণা রায়।
